CUSTOMIZE YOUR SPONSORSHIP!

IAEM will happily work with you to curate your sponsor package to meet your organization's needs. Ask us about additional opportunities!

Driving Partner Events — Driving Partners have the option to choose from one of the following events to host. Only one sponsor may host each event. Events are secured on a first come, first served basis.

- Monday, Tuesday, or Wednesday Driving Partner of the Day
- President's Hospitality Reception
- Sunday Night Welcome Party
- EMEX Opening Ceremony
- Presidential Banquet
- Confrerence App Sponsor (non-event)

Driving Partner of the Day — For one day during the conference, the Driving Partner of the Day will help begin general sessions on that day and include a 3-5-minute overview of their company (or video, or infomercial). Conference leadership will introduce the actual session speakers, and may share an emceeing role with the sponsor. This package also includes enhanced logo placement during key conference sessions, leads for all opt-in attendees, and many opportunities to raise your brand awareness built into the event's design.

Partner Presentation "Sponsor Solution Session" — Concurrent sponsor run conference session. 15-minutes for Powerhouse and 30-minutes for Driving Partner sponsors. Sponsor selects the session title (pending IAEM approval). This is your time to highlight a new project, premier service, or unique solutions that only you can provide.

Pre- or Post-Conference E-Blast —One e-blast sent to "opted-in" registered attendees of the event. The sponsor supplies an HTML file (subject to IAEM approval) and IAEM will send it on the sponsor's behalf.

Social Media Shout-Out — Recognition of sponsor on IAEM's social media channels in the days prior to the conference.

Exhibit Space — Powerhouse and Driving Partner sponsorship levels include a 10'x10' booth space. Exhibit space can be added to the Trendsetter and Supporter level sponsorships for an upcharge.
